

SECTION 5 FIRE AND EXPLOSION DATA

Flash Point (CC): N/A

Autoignition Temp.: N/A

Extinguishing Media: Water, CO2, dry chemical, foam

Special Fire Fighting: Respirator should be worn due to possible generation of toxic fumes.

Unusual Fire Hazards: Fire of excessive heat above 550 degrees may produce decomposition products such as carbon, carbon monoxide and carbon dioxide.

SECTION 6 REACTIVITY DATA

Stability: Stable

Incompatibility: None Known

Hazardous Decomp.: May produce oxides of carbon or nitrogen upon heat decomposition.

Hazard Polymerization: None Known

SECTION 7 HEALTH HAZARD DATA

Eyes: Wear eye protection while handling. Eye contact may cause irritation.

Skin: Absorption through the skin is unlikely. The product is essentially non-irritating.

Inhalation: This product is an inert solid at room temperature.

Ingestion: None Known (May cause choking, if swallowed)

Acute Hazard: This product does not contain any components that have recognized exposure limits.

Chronic Hazard: None Known

SECTION 8 EMERGENCIES AND FIRST AID

Eyes: Flush eyes with water for at least 15 minutes. Consult physician if irritation persists.

Skin: Wash affected areas with soap and water. Consult physician if irritation persists.

Inhalation: Move subject to fresh air.

Ingestion: If swallowed, consult a physician.

SECTION 9 SPECIAL PROTECTION DATA

Precautions: Keep from freezing.

SECTION 10 ENVIRONMENTAL DATA

Environmental Toxicity: None

Waste Disposal: In accordance with local, state and federal law.

Spill Procedures: Remove and dispose of in accordance with federal, state and local laws.

Container Disposal: In accordance with local, state and federal law.

Hazardous Substance: No

Hazard ref 40 CFR 372: No

SECTION 11 SUPPLIER INFORMATION

Production Product has shipped this product at your request with the understanding that we have no control over the storage, handling, and conditions of use, which are of critical importance.

Production Products does not assume any liability for any injury to persons or property arising out of the use, handling or storage of this material.

Effective Date: September 16, 2005 supersedes all previous issues.

To the best of our knowledge, the information presented herein is factual. It is obtained from sources believed to be qualified experts, such as raw material suppliers, and it is believed to be true. However, nothing contained in this information is to be taken as a warrantee or representation for which Production Products bears legal responsibility. The purchaser or user should review any recommendations in the specific end use to determine the product suitability.
